

# Options

One reason WASH has enjoyed success and sustained customer loyalty, is our willingness to offer a variety of options to provide our partners with the freedom and flexibility to customize their laundry room services. As a result, we help to enable our customers' objectives to meet the needs of the end-user.

You can choose:

- The style that is the best fit for your space and your budget, be it front-loading, top-loading, or space-saving stackable models
- The latest brand name machines from Maytag, Speed Queen and Whirlpool, or WASH-certified washers and dryers that have been thoroughly reconditioned and inspected by our expert technicians
- Rental, leasing, sales, and service programs that are tailored specifically for you
- Tiered service options, from budget-conscious to all-inclusive
- Planning and interior design packages to enhance your laundry room
- Several Direct Deposit options

With WASH, no matter what you choose, you can always count on us to provide exceptional, top-of-the-line equipment and best-in-class service.
